

Alternative Energy & Financing Forums

Learn more about geothermal, solar PV, and solar thermal energy, and how financing incentives — offered by NYSERDA and other agencies — can make installing an alternative energy system in your home or business more affordable.

Featured presenters . . .

- *Pat Courtney*, Mid-Hudson Energy Smart Communities (NYSERDA)
- *Craig Roffman*, Altren Consulting
- *Carl Floor*, Solar Energy Management, Inc.
- *Chris DiBernardo*, 2K Solar Contracting
